

## Differential pressure switches type DTV

Differential pressure switch with changeover contact, delivered with connectionset

### Application

- Filter guard
- Monitoring of fan

### Specifications

- Setpoint for changeover contact: 20 to 200 Pa (**DTV 200**)
- Setpoint for changeover contact: 20 to 300 Pa (**DTV 300**)
- Setpoint for changeover contact: 50 to 500 Pa (**DTV 500**)
- Changeover contact 250 V AC - 1,5A (0,4A)
- IP 54

### Mounting

- Wall / duct

### Technical data

- Temperature medium : -20 to 85°C
- Connection nippels for measuring hose : 6 mm
